

# Google™ Business Photos

A virtual tour of your business with Street View technology

[maps.google.com/businessphotos](https://maps.google.com/businessphotos)

## WHY BUSINESS PHOTOS?

A virtual tour of your business

It's an opportunity to **showcase your business** to customers around the world. Our **Street View technology** will bring your business to life with a high-quality, 360-degree, interactive tour. The **virtual tour** will be visible on Google search results, Google Maps and **Google+ Local**, to give customers a better sense of the layout, decor and ambiance of your business. Easily embed on your own business website and social media to **attract even more potential customers**.

“ Giving potential customers a chance to virtually visit our store before coming in guarantees us more visits. ”

– Lizzy Newsome, Toy Specialist, Toy Joy

# ATTRACT MORE CUSTOMERS

An interactive and engaging experience

- 1 Customers can take a [panoramic virtual tour](#) of your business – an online walk-through of your space.
- 2 [Street View navigation](#) makes it easy and intuitive for customers to see your business before visiting.
- 3 A great way to [showcase your décor](#), ambiance and the unique qualities of your business.

# GOOGLE STREET VIEW TECHNOLOGY

A new experience for customers

- 1** High-quality, 360-degree, panoramic tours help showcase the best features of your business.
- 2** Have potential customers visit your business directly from Street View.
- 3** All of your images go through Google blurring and privacy standards to give you peace of mind.
- 4** Featuring the familiar Google Street View navigation, allowing your customers to easily explore.

# HOW CAN THIS HELP MY BUSINESS?

Attract new customers online

- 1** Enhance your business listing. Images appear on Google search results, Google+ Local and Google Maps.
- 2** Engage with customers who can now explore, walk-through, and truly experience your business.
- 3** Business Photos is a perfect addition to all businesses; including restaurants, retail shops, gyms, salons and more!
- 4** Seasonal shoots are a great way to keep your business up-to-date and show your customers what's new.

# SHARE WITH THE WORLD

Easy for potential customers to find

- 1 Images appear directly on Google search results
- 2 Searchable on Google Maps and Google+ Local
- 3 Prominently featured on your Google+ page
- 4 Easy to embed on your website
- 5 Link to share on social networks, blogs, emails and more!

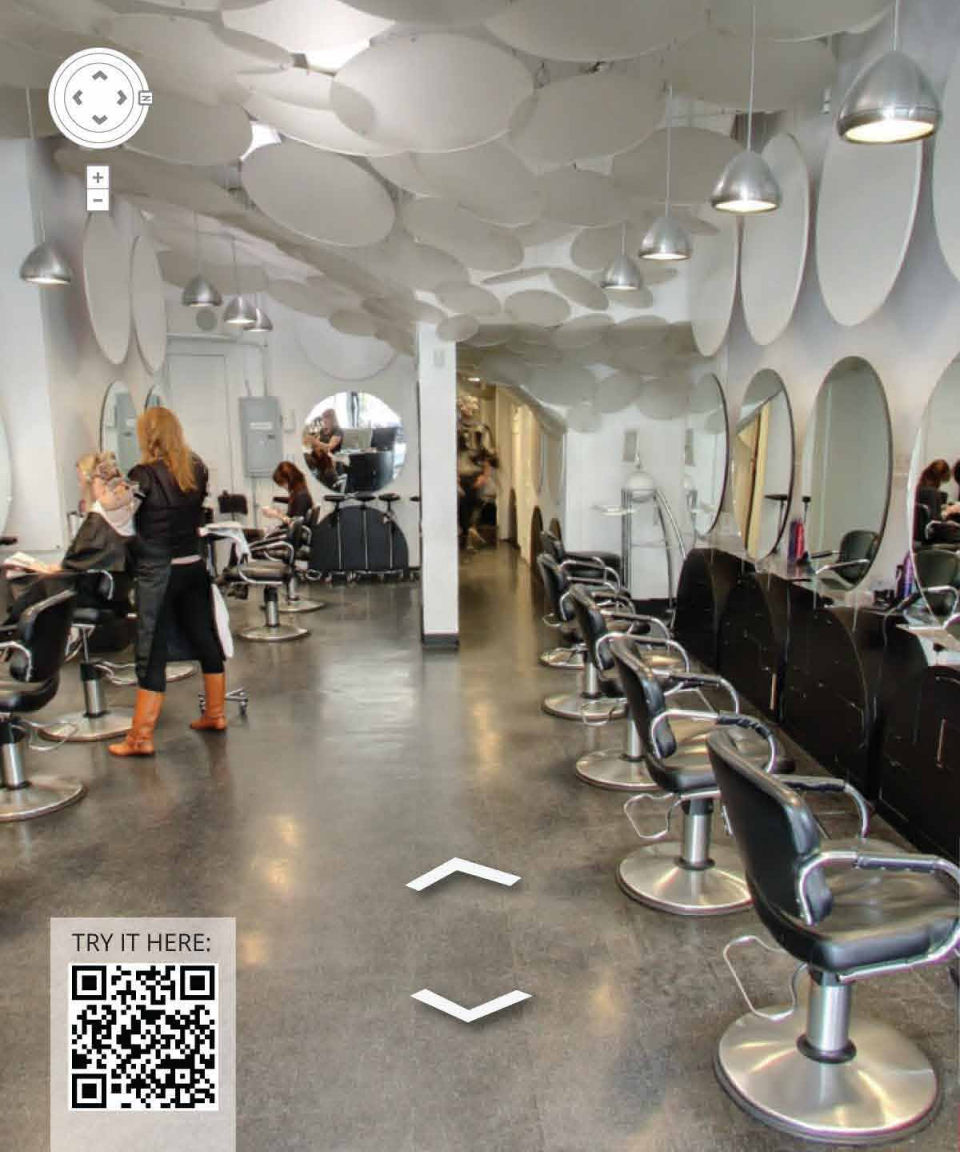

# TRUSTED PHOTOGRAPHERS

Google trained and certified

- 1 All Trusted Photographers are trained and certified to ensure high-quality results for your business.
- 2 Photographers strive to create a custom experience; highlighting the unique aspects of your business.
- 3 Photographers take care of all the work so you don't have to; final photos are uploaded directly to Google.

# GET STARTED TODAY

Getting started is easy!

- 1 [Contact Scott Witte of Tour de Force 360VR](#), who is Google trained and certified. (414) 345-9660
- 2 [Schedule a time](#) and price for your personal photoshoot. Photoshoots are non-disruptive and take less than 1 hour.
- 3 [View and share your new photos](#) with the world. Photos are live on Google within a matter of days.
